## WELCOME

Four years of connecting the global jewellery industry in the heart of Dubai

Welcome to the 4th edition of Jewellery, Gem & Technology in Dubai (JGTD)!

On behalf of Informa Markets Jewellery and our JGTD co-organiser, the Italian Exhibition Group SpA (IEG), I wish to express my profound gratitude to each and every one of you for being a part of this unique B2B product sourcing, networking and business-building experience in Dubai, the City of Gold. We are equally thrilled to celebrate our exceptional partners who have championed JGTD from day one. DMCC (Dubai Multi Commodities Centre) as our Official Partner and Dubai Jewellery Group (DJG) as our Industry Partner have been instrumental in shaping this event across all four editions. Their dedication and vision continue to elevate JGTD's success and we are excited to build on this winning partnership for years to come.

Returning to Dubai for our fourth edition feels like a homecoming – and what a journey it's been. The last few years have brought seismic shifts and invaluable lessons across our sector, compelling JGTD to adapt in lockstep with the international buying community's changing needs.

This adaptation has led us to deliver precisely what today's market demands: A platform where wholesalers, retailers, brands and manufacturers can source strategically, engage with seasoned suppliers and access straight-from-source intelligence essential for navigating an increasingly complex business landscape.

Dubai's unrivalled position as the Middle East's gold, jewellery and gemstone sourcing capital makes it the natural stage for this focused approach – bringing together the right minds at the right moment – particularly now when authentic relationships matter more than ever.

Here at the Dubai Exhibition Centre, we have assembled an impressive coalition: 350+ exhibitors from nearly 30 countries and regions, including first-time participants from Kazakhstan, Jordan and Taiwan. Eight international pavilions – representing major suppliers from China, Hong Kong, India, Italy, Sri Lanka, Thailand, Türkiye and the US – reinforce our global reach. Together, they present a comprehensive showcase spanning finished jewellery, diamonds, coloured gemstones and advanced industry tools, equipment and technology solutions.

Adding to this year's excitement, we are unveiling our new High-end Jewellery & Gems space, perfectly complementing our established anchor pavilions dedicated to fine jewellery, technology and gemstones. In an industry where we trade in the world's most precious materials, the most valuable discoveries aren't always measured in carats or grams. The real treasures emerge from unexpected encounters – a chance meeting with a designer, an insight shared over coffee, a partnership sealed with a handshake. This is where JGTD excels: Creating the conditions for these priceless discoveries.

Make the most of your time here. Be present, stay engaged and keep your eyes open for the connections and deals that can transform your business. The opportunities are here – let's make them happen!

## THE JEWELLERY AGENDA

Don't miss the next International Jewellery Show

**ITALIAN EXHIBITION GROUP**  
Providing the future

A Global Hub  
for Jewellery  
Innovation and  
Business Growth

As we open the fourth edition of Jewellery, Gem & Technology in Dubai (JGTD), we celebrate the growing strength of this unique platform, where global excellence meets the vision and dynamism of Dubai, reaffirming our commitment to connecting the world's jewellery community in one of the most vibrant and forward-looking cities.

JGTD continues to grow in scope and influence, offering the ideal platform for innovation, sourcing and meaningful business relationships. Together with our partner Informa Markets Jewellery, we are proud to welcome over 350 exhibitors from nearly 30 countries, including new participants from emerging markets, confirming JGTD's position as the Middle East's premier B2B destination for fine jewellery, gemstones, machinery and technology solutions.

With the invaluable support of DMCC and Dubai Jewellery Group, JGTD 2025 stands as a symbol of collaboration and shared growth — where creativity meets technology and tradition embraces the future.

We look forward to three inspiring days of networking, discovery and business opportunities that will continue to strengthen the global jewellery industry and reinforce Dubai's role as an international hub of excellence.

Wishing everyone a successful fair.

## DRIVING THE FUTURE OF GLOBAL GEM AND JEWELLERY TRADE

### Welcome Note by Ahmed Bin Sulayem

I am delighted to welcome you to the 2025 edition of Jewellery, Gem and Technology in Dubai (JGTD) at the Dubai Exhibition Centre.

Now in its fourth year, JGTD has evolved into one of the world's most important B2B platforms for the gemstone and jewellery trade, bringing together over 350 exhibitors from nearly 30 countries and strengthening Dubai's position as a global destination for precious stones, gold, and jewellery.

It arrives at a pivotal moment. High gold prices, shifting consumer trends, and Dubai's growing prominence as a leading hub for diamonds and gold are shaping the future of our sector. This position is built on real corridors of growth. As a case in point, India's gem and jewellery exports to the UAE rose by around 65% between April and September – reflecting streamlined policy, logistics and market access.

Meanwhile, the Dubai Diamond Exchange, as the world's largest diamond tender facility, continues

to reinforce Dubai's position as the world's leading diamond hub, offering robust standards, transparent and efficient trade in rough and polished, and new pathways for coloured gemstones and technology. Earlier this year, I announced that the DDE had played a central role in driving over one billion carats of rough and polished natural diamond trade through Dubai in the past five years. This is a milestone we can be proud of and we will continue to enable cross-border connections that turn opportunity into results.

I would like to thank our partners, Informa Markets and Italian Exhibition Group, our exhibitors and guests for their continued trust and collaboration. I wish everyone a productive and successful JGTD 2025 as we shape the next chapter of the global jewellery and gemstone trade.

## DUBAI, THE CITY OF GOLD & JEWELLERY DESTINATION OF THE WORLD

Since 1996, Dubai Jewellery Group, the largest trade body for the Jewellery industry in Dubai, has been building consumer confidence, promoting the interest of the industry and cementing the image of Dubai as the premier Jewellery destination of the world.

## DUBAI the City of Gold and Jewellery Destination of the World!

We are excited to step into the fourth edition of JGTD, especially at one of the most dynamic moments in the history of the gold and jewellery industry. With gold prices at record highs and the diamond sector facing unprecedented challenges, the international jewellery community and industry stakeholders are coming together once again to explore avenues for collaboration and business sustainability.

We take pride in what we have collectively built over the past three editions of JGTD and look forward to this edition bringing forth new ideas to navigate challenging times, showcase emerging design trends, and highlight the latest technological innovations shaping our industry.

As in previous years, we are delighted to host some of the finest manufacturers from the UAE and the wider Middle East, and we hope to continue fostering greater collaboration across all segments of the supply chain.
