## WHAT BUYERS SAY

**JGT** Dubai was a great opportunity to meet new suppliers of fine jewellery from Italy and Turkey, and buy coloured stones. The show was a big surprise.

**JGT** Dubai presented us with a good opportunity to speak directly with our existing suppliers and new vendors. I found new companies offering interesting products and discovered a wide variety of goods, especially within the diamond product category. Participating in this exhibition was also very useful when it came to coloured gemstone purchasing since you could not buy these goods without seeing and touching them first. We can't wait for the next edition of JGT Dubai.

**Farog Giligrian**  
*Varouj Jewelry (Egypt)*

**This** first edition of JGT Dubai was great. I think Dubai will be the future hub in the region for the jewellery industry, and it's very important to build connections among all the major jewellery and gemstone centres, from India and Israel to Europe. It was good to be back in a B2B show such as JGT Dubai.

“**We** are very happy about our performance at JGT Dubai. We met with so many new customers from South America, Europe and Russia. We will continue to exhibit here.”

**Mehemet Diribas**

*ZEN Diamond (Turkey)*

“**We** have very positive feedback for JGT Dubai. We saw customers from Russia, Israel, Turkey, Dubai and India. Dubai is also the perfect place to meet customers who are no more than a three-hour flight away from the city. The show’s timing is also ideal since it allows buyers to replenish their stocks at the beginning of the year.”

**Paolo Bettinardi**

*Better Silver (Italy)*

“**JGT** Dubai is very well organised!!   
There are many serious buyers.”

**Dhiraj Kapoor**
